

WE GOT YOU COVERED

HERE ARE SOME OF TRADE 360'S MAIN FEATURES:

1

MAXIMUM UPTIME

Enjoy uninterrupted operations, ensuring seamless trading experiences.

2

TAILOR-MADE, AUTOMATED TRADING

Simplify event ordering with our intuitive templates, enabling automated trading and personalized experiences tailored to your preferences.

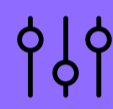

3

FINE-TUNED MARGIN AND ODDS SETTINGS

Set precise margin and odds settings, optimizing profitability for each sport, location, competition, fixture, and market.

4

ABSOLUTE CONTROL OF YOUR ODDS

Maintain control over your odds using our innovative odds ladder, reducing continuous changes and providing stability in your trading operations.

5

COMPLETE MONITORING OF YOUR TRADING FLOOR

Gain a comprehensive view of your personalized trading floor, ensuring efficient oversight and timely decision-making.

6

STREAMLINED DATA MANAGEMENT

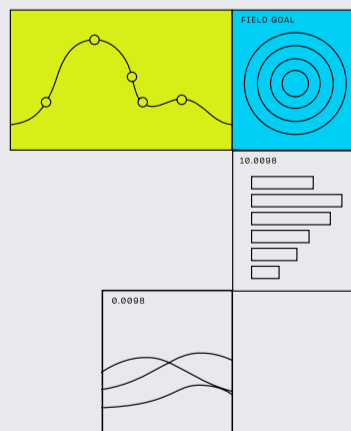

Save operational costs and reduce staffing requirements. Trade 360's accessible and complete data views enable you to focus only on strategic growth.

7

RELIABLE 24/7 SUPPORT

Our dedicated support team is available around the clock to assist you with any queries or technical challenges you may encounter.
